

## 16-19 bursary fund statement

At Scarborough UTC, we provide 16-19 bursaries for students to ensure they have access to their studies, where they would otherwise be unable to do so for financial reasons. We are committed to closing the attainment gap between students from poorer and more affluent backgrounds, ensuring that every student participates in, and benefits from, a place in 16-19 education and training.

There are two types of bursaries available: discretionary and vulnerable. Each bursary is allocated based on students meeting the eligibility criteria. The government sets out specific criteria for the vulnerable bursary which entitles students to the funding, whilst the eligibility criteria for the discretionary bursary is determined by our school. In **both** cases, the school is responsible for determining whether a student's application has been successful.

We are dedicated to:

- Distributing 16-19 bursaries via a fair and equal process that is transparent, accountable and easily understood.
- Ensuring that information regarding the application, award and administration of 16-19 bursaries is available to all.
- Widening access to, and participation in, sixth form education.
- Ensuring all students who are eligible for funding have access to it.

### Eligibility

Students who are aged 16 or over and under 19 years old on 31 August 2022 will qualify for bursaries. Students aged 16 or over will only receive bursaries in exceptional circumstances.

Students aged 19 or over are **not** eligible for the **vulnerable groups bursary**, although the school may decide the student is eligible for a discretionary bursary.

If any student is on an apprenticeships programme, or any waged training, they are employed rather than in education and are therefore not eligible for a bursary.

Where a student's circumstances change, they can apply more than once. In this case, the student will be reassessed, including a one-to-one interview to determine if there are any exceptional circumstances to consider.

All students will be assessed individually for either bursary. Evidence must be provided to support applications – a full list of supporting evidence is outlined in our 16-19 Bursary Application Form.

### Vulnerable bursaries

To be eligible for a vulnerable bursary, students must meet one of the following criteria:

- The student is in care
- The student is a care leaver

- The student receives Income Support or Universal Credit because they are financially supporting themselves and/or someone who is dependent on them and living with them, such as a child or partner
- The student receives Disability Living Allowance or Personal Independence Payments in their own right, as well as Employment Support Allowance (ESA) or Universal Credit in their own right

Any student who meets these criteria can apply for a vulnerable bursary of up to £1,200: this may be reduced where the school deems it appropriate to do so, for example, if a student is undertaking a part-time course. Alternatively, we may decide to allocate more than £1,200 if a student needs extra help to remain in education.

We are responsible for determining whether a student is eligible for a vulnerable bursary. If a student meets the above criteria, but we believe a bursary is not required as they do not have any financial need and do not need further support, we may decide not to distribute a bursary to this student. This may include, for example, where:

- A student attends a specialist residential provision that covers their education costs in full.
- A student undertakes a distance learning programme and there are no financial barriers to participation, e.g. no travel or food costs.
- A student is in LA care and education costs are covered in full by the LA.
- A student is financially supported by their partner.

### **Discretionary bursaries**

We allocate discretionary bursaries based on those who are most in need of financial support. Discretionary bursaries may be awarded up to value of £1,200. Our eligibility criteria for a discretionary bursary includes the following:

- Students living in a low-income household (outlined below)
- Students who are from a single-parent family or have one or more dependent siblings in their family
- Students who have additional responsibilities, such as being a young carer or parent
- Students who travel greater than eight miles to the institution

Discretionary bursaries may be awarded for students from low-income households. The amount awarded will be dependent on the amount of income, relevant to the following levels:

Level	Minimum	Maximum
L1	£0	£16,190
L2	£16,191	£20,817
L3	£20,818	£25,521

### **Applying for a bursary**

Students must complete the application form and provide the necessary supporting documentation. All applications should be submitted by 30 September of each academic year.

We do understand, however, that needs may arise throughout the academic year. As such, we do not implement a cut-off date for applications, but wherever possible, all should be submitted by 30 September.

### **Conditions for receiving the bursary**

All students must meet the agreed standards set by us to be eligible for the funds – these are explained to all students during the application process. Students must continue to meet these criteria after receiving the bursary. We may withhold payments where students breach these conditions.

The conditions are as follows:

- Students must have 95 percent attendance at timetabled lessons, unless the absence is authorised
- Students that are absent due to sickness must present a note from a qualified medical practitioner if their absence is longer than five days
- Students must abide by the Conduct for Learning Policy

Payments will be stopped where:

- A student is absent for a period of four continuous weeks or more, excluding holidays or if there is evidence that they intend to return.
- A student withdraws themselves from a study programme.
- Money is not being spent for the reasons it was awarded.
- A student breaches any of the conditions for payment.

### **Paying the bursary**

Funds will be allocated in-kind rather than in cash, e.g. travel passes, vouchers/credits for meals, required books or equipment. All payments will be given to students on a weekly basis.

Bursary funds will not be given to students in large lump sums. A percentage of funding will be kept back as hardship funding to respond to any emergencies throughout the year – the total percentage held back is discussed with the student.

### **Using the bursary**

The following priority areas will be addressed first:

- Travel to college, e.g. bus passes and travel cards
- Equipment costs, e.g. books, stationery, iPads or clothing
- Meals, e.g. free school meals
- Any other educational support, e.g. attendance at university open days and interviews

Students will be allocated a higher amount of funding at the beginning of their course to address the priority areas. Student services will meet with individual students monthly to help them with budgeting and ensure the fund addresses the areas most in need.

**Appeals process**

If students disagree with the outcome of their application, or where payment has been withheld due to not meeting the outlined conditions, they should follow our complaints procedure, detailed in our Complaints Procedures Policy – this is available on the school website.

**Further information**

More information on the use and allocation of 16-19 bursaries can be found in our 16-19 Bursary Fund Policy, available on the school website.
