INTRODUCTION

Dear Parent and Carers,

We close this particularly busy half-term with a celebration of achievement. Year 9 who have the most PVES to date (31806 – very well done) have celebrated today with a trip to the beach, for beach games and competitions. This is currently going on as I type, but Ms Smith is keeping me updated with photos and as you can see they are having a terrific time.

Year 11 and Sixth Form have been exceptional over the last 3 weeks and approached the exams with maturity and determination. They now pause until masterclasses on Thursday 30th and Friday 31st. As a parent, this week ahead is a very fine balance; the students need rest, they will also have employment in many cases, but they do need to study too; they return to x2 very full exam weeks with at least 5 exams each week.

The Alton Towers celebration trip for Sixth Form and Year 11 is scheduled for Friday 21st June – there were simply no coaches available on 20th – letters for this can be collected from reception.

As I look ahead to next half term we are only 3 school weeks away from Year 10 Mocks. Year 10 have two substantial resources they can use to revise; GCSE Pod and Sparx, plus the usual resources that can be found in our google classrooms; ask your child about their revision and please support them in actively using the resources on offer.

In the 7 weeks ahead we will have mainly Year 9, 10 and 12 only on site. We have heavily weighted these few weeks to trips and experiences to enhance employer opportunities and

widen opportunity. In total we have at least 3 events every week for students, so please keep on top of the consent forms, thank you!

Thank you for your continued support,

Kind Regards

Helen Dowds

Principal

SKI TRIP NEWS

We now have our hoodies prepped, don't they look great? I will be taking measurements after half-term and getting these ordered. These are already paid for. With thanks to Vinylsigns, Whitby.

YEAR 10 GEOGRAPHY

Year 10 have recently started a new topic: A Changing Economic World. This is their 4th topic, and they will be looking at uneven development, Nigeria and the UK's role in the global economy.

At the end of today's lesson we played 'Development Indicator Top Trumps'. This helped students familiarise themselves with the indicators of development and if the number should get higher or lower as they develop.

Also, please note year 10 letters have been sent out for their fieldwork at Hornsea and Flamborough. These need to be returned to reception before June 6th.

YEAR 11 PROM AND LEAVERS HOODIES

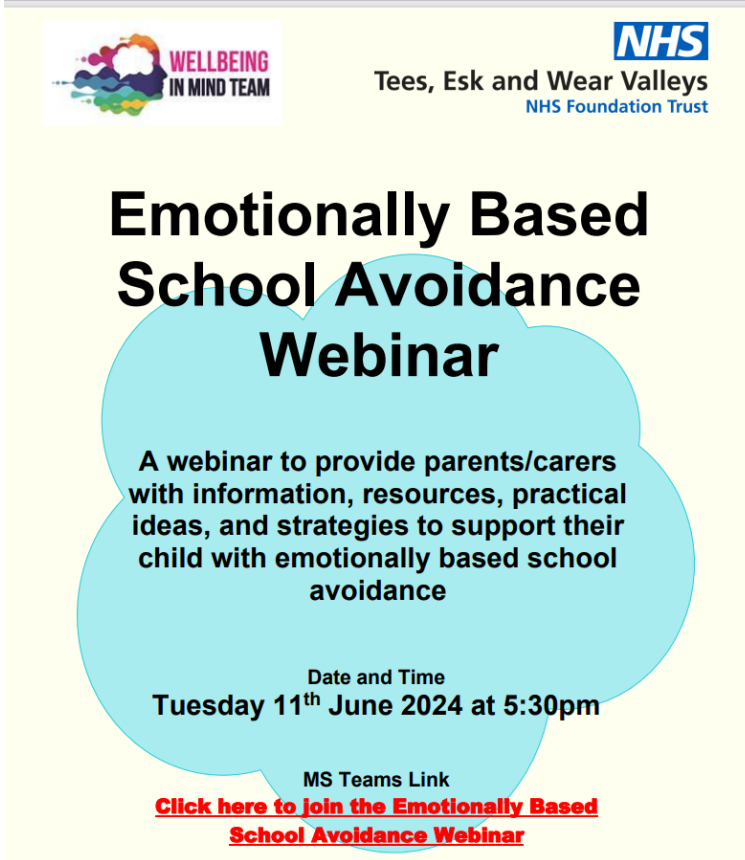

For those in year 11, their time with us is quickly coming to an end. Exams will soon be over and the time to celebrate with Prom will be here. With this in mind, please ensure that if your child wishes to attend Prom that their ticket is purchased on ParentPay no later than 3rd June, as we have to submit final numbers to the venue. Additionally, there is the option for year 11 children to buy a leavers hoodie, which will have all student names in a large 24 on the back. The deadline for this is also 3rd June to ensure these can be printed and at college for the end of the exam run. Please ensure all payments are made in time to avoid disappointment. If you are experiencing issues with ParentPay please contact reception.

ACHIEVING PROFESSIONAL REWARDS AND ATTENDANCE REWARDS

How do students get awards? It is simple really.

- 1) Be here every day, where you have to be off for illness, college is called and the student takes time of their own upon return to catch up.
- 2) Take part actively in lesson.
- 3) Complete HW and CW tasks to the very best of your ability, having pride in creating books and notes that you can revise from.
- 4) Be fully equipped every lesson (Reading book, pen, pencil, ruler, calculator)
- 5) Be punctual, not only to college, but to every lesson too.
- 6) Be polite, kind and professional in all aspects of college life.
- 7) Follow the rules, first time, every time – in particular no phones in pockets without permission.
- 8) Be dressed for college, full uniform, shoes not trainers, lanyard and ID card always.

EMOTIONALLY BASED SCHOOL AVOIDANCE WEBINAR

The poster features a light yellow background with a large, light blue cloud-like shape in the center. At the top left is the 'WELLBEING IN MIND TEAM' logo, and at the top right is the 'NHS Tees, Esk and Wear Valleys NHS Foundation Trust' logo. The main title 'Emotionally Based School Avoidance Webinar' is written in large, bold, black font. Below the title, a paragraph describes the webinar's purpose. The date and time are listed as 'Tuesday 11th June 2024 at 5:30pm'. At the bottom, there is a red link for the MS Teams link.
